K-LOVE is a customer funded FM Station in my area that serves our community with christian news, music and topics, and we love the music they play. It is one of the few stations that I listen to in my home town and area. KLOVE has "fund raisers" to stay on the air, and have always been funded by their listeners without a problem. It would be a great disservces to replace KLOVE with another station KLOVE is inspiration, hope, love and a faith enriching station that I do not want to miss.
